

# Homework

## Sept. 8-11, 2009

This week we will discuss how "Making someone's day" is sharing with others. We will read The Doorbell Rang. Talk with your child about the importance of sharing with others. We will talk about parts of a book (left to right, front to back and top to bottom). We will begin our weekly letter study. Our first letter study is M. We will learn how to write the letter correctly, recognize the letter, the letter sound and words that begin with the sound. Our new vocabulary word is "we" and we will review "I" and "can. We will use these vocabulary words in written sentences. We will talk about and use rhyming words. We will continue to study numerals 0-5. In Social Studies we will learn about family members and their responsibilities. Please discuss with your child the role they play in your family and the importance of that role.

**Tuesday:** Read the book, My Mom together. Use your wand to point to the words. Read the telescope story and ask your child the questions. Practice writing Mm and 3.

**Wednesday:** Read the book, My Mom together. Use your wand to point to the words. Read the telescope story and ask your child the questions. Practice writing Mm and 4.

**Thursday:** Read the book, My Mom together. Use your wand to point to the words. Read the telescope story and ask your child the questions. Practice writing Mm and 5.

**Please work together as a family to do something special for someone else. Let your child tell the class about it on Friday.**
