

Star Word List

These are the words that we will learn this year.
These words should just pop out of your mouth automatically.

I can we the like a see go to have
is play are for you this do and what
little said here was she he has look
with my me where red green black
yellow blue white brown orange

Please work on these words at home with your child. Sight words are high frequency words seen often in print. Many of these words are difficult to sound out and memorization will be required. Sight word recognition is very important in developing reading fluency - the speed/rate at which your child reads. The better the fluency, the easier it will be for your child to comprehend what has been read.

I will introduce one or two words a week. Check your homework sheet. Make this fun. You can play games or even sing your words.
